From the Grand East

It's hard to believe but as I write this there are but 31 days left in this year. Soon we will be celebrating our Saviors birth and making resolutions for the new year. Another very important thing that will be done is electing new leadership into our Councils and York Rite Bodies. This should be given more than just cursory thought as our York Rite depends on quality leadership if we are to grow and prosper in the coming months. Each leader in our Councils should start thinking about and planning their year and getting their Companions involved in activities that will grow their Councils. Plan a Table Council, Family night, open house for Master Masons in the area. Become visible and reach out to the Master Masons in your area and explain to them why they NEED York Rite Masonry. Have a safe and happy Christmas season and New Year.
