TABLE COUNCIL RITUAL

After the Council is opened in regular form, the Illustrious Master declares the Council open for the purpose of Table Council.

The meal of the evening will now be served according to the facilities at hand.

The Illustrious Master will give an explanation of charging the cannons and giving the toast.

To make ready, or to charge the cannons, hold the glass at shoulder height, the arm extended. At the order of fire, take a sip from the glass, then bring the glass to the left breast; move it to the right breast; extend arm forward, thus forming the two sides of an equilateral triangle. Bring the glass to rest with a (bang) report.
